

Dear President Trump:

I am a prisoner at USP - Tucson with Ross Ulbricht. I interact with him on a day-to-day basis and can vouch for his character. Ross is a respectful and kind person. He is polite, civilized and trustworthy. He treats members of the prison staff and prisoners alike with courtesy and decency.

I have known him only to comply with the rules of the prison and to respect authority. It is my opinion that he does not deserve to spend the rest of his life behind bars and that his case should be reviewed and considered for clemency.

Respectfully,

The Undersigned;
